OJRSA Project #2026-10

Procurement and Implementation of a Financial and Accounting Software System

March 9, 2026

Important Note: The ZIP Code is incorrect as stated in the Procurement Method of Selection (page 3) and Submittal Requirements (page 13). The correct ZIP Code is 29678.

Question 1: Would a company be excluded if they cannot meet the August 1st go live deadline?

Answer 1: OJRSA prefers to be “live” with the financial and accounting portion of the software system by July 1, 2026 but will allow for the integration with Trimble Unity Maintain CMMS by October 30, 2026.
