November 6, 2018

Adopted by the OJRSA Board of Commissioners on November 5, 2018

**OJRSA Freedom of Information Act Policy**  
November 6, 2018

**POLICY STATEMENT**

The Board of Commissioners (the “Board”) of the Oconee Joint Regional Sewer Authority, South Carolina (the “Authority”) recognizes the findings of the General Assembly of South Carolina that it is vital in a democratic society that public business be performed in an open and public manner so that citizens shall be advised of the performance of public officials and of the decisions that are reached in public activity and in the formulation of public policy. In order to ensure that the Authority conducts its business in an open and public manner, it shall be the policy of the Authority to comply with both the letter and the spirit of the South Carolina Freedom of Information Act (“FOIA”), as codified at Sections 30-4-10 *et seq.* of the Code of Laws of South Carolina 1976, as amended, when processing requests for access to public records (this “Policy”).

**MAKING A FOIA REQUEST**

All requests for public documents pursuant to FOIA, except for those described below, must be made *in writing* and submitted either (1) in person at the offices of the Authority, which are located at 623 Return Church Road, Seneca, South Carolina 29678; (2) by mail to Oconee Joint Regional Sewer Authority, Attn: Executive Director 623 Return Church Road, Seneca, South Carolina 29678; or (3) by electronic mail to info@ojrsa.org. Requests should be made using the FOIA Request Form (the “Request Form”) provided by the Authority and made available to the public, a copy of which is attached to this Policy. Requests made by letter or in some other written form shall contain substantially the same information provided for on the Request Form. When requests are submitted by fax, the requesting individual may be instructed to submit the request using one of the approved methods set forth in this Policy. In order to ensure the most accurate and prompt response, requests should be as detailed, specific, and descriptive as possible. With the exception of the records detailed below, fees shall be assessed in accordance with the current version of the OJRSA SCHEDULE OF FEES.

Requests to inspect the following public records need not be in writing provided the requestor appears at the office(s) of the Authority in-person and within normal Authority business hours:

1. Minutes of all public meetings of the Authority for the preceding (6) six months; and
2. Documents produced by the Authority or its agent that were distributed to or reviewed by a member of the public body during a public meeting for the preceding (6) six months.

**PROCESSING FOIA REQUESTS**

Where any Authority employee receives any written request for public records, the request should immediately be stamped with the date of receipt and delivered to the Executive Director of the Authority (the “Executive Director”). The Executive Director should evaluate each request based upon the statutory requirements of FOIA regarding any applicable exemptions, federal restrictions on disclosure, or limitations on the commercial use of data. However, the presumption in evaluating FOIA requests should be in favor of disclosing the requested records. Where an exemption to FOIA could possibly permit the Executive Director to decide not to disclose the requested records, the Executive Director should consult with the Authority’s attorney to determine if an exemption applies and whether the Authority should decline to disclose the records based upon the exemption.

**INITIAL RESPONSE DEADLINES**

The Executive Director must respond to all FOIA requests within the time frames outlined below:

<u>Document Age</u>	<u>Response time</u>
Less than 24 months old	Within 10 business days
More than 24 months old	Within 20 business days

## OJRSA Freedom of Information Act Policy

November 6, 2018

It shall be the policy of the Authority to respond to FOIA requests as quickly as possible. Where possible, the response to the request should include the requested records. Otherwise, the response should either inform the requestor that the requested records will be made available, along with the means of obtaining them and any additional costs that will be charged for making the records available, or it should inform the requestor that the requested records fall under an exemption to FOIA and will not be disclosed. The initial response shall constitute the final determination of the Authority as to whether records are available and subject in whole to an exemption under FOIA, but will not constitute a final opinion as to whether portions of the requested documents are subject to redaction under a FOIA exemption.

### **PRODUCTION DEADLINES**

For all granted requests, the Authority shall furnish the records within the time frames outlined below, as measured from the date of initial or response or, where applicable, the payment of a deposit.

<u>Document Age</u>	<u>Production time</u>
Less than 24 months old	30 calendar days
More than 24 months old	35 calendar days

The response and production deadlines may be extended by written mutual consent, and the requesting party may not unreasonably withhold such consent. The Authority shall not create new records, nor summarize existing records. Requested records shall be released in the format most convenient to the Authority. The Authority may, in its sole discretion, create electronic records where they do not otherwise exist.

### **RECORDS EXEMPT FROM DISCLOSURE**

The Authority adopts as a part of this Policy any and all exemptions, restrictions or limitations contained within FOIA, as FOIA may be amended from time to time, along with any other exemptions, restrictions or limitations that may be provided for now or in the future under South Carolina or federal law. As previously stated herein, The Executive Director, consulting with the Authority's attorney, shall determine whether an exemption to the disclosure requirements of FOIA applies. Where an exemption, restriction, or limitation applies, the Executive Director, based upon consultation with the Authority's attorney, should decide whether to deny disclosure based upon the application of the available exemption, restriction, or limitation. Where records contain certain information exempt from disclosure but which otherwise fall outside of an exemption, restriction or limitation, the exempted information shall be redacted and requested records shall otherwise be disclosed. The Authority may request for a hearing before the Circuit Court of Oconee County to seek relief from unduly burdensome, overly broad, vague, repetitive, or otherwise improper requests, or where it receives a request but is unable to make a good faith determination as to whether the information is exempt from disclosure.

### **FAILURE TO COMPLY:**

In addition to penalties available under FOIA, willful disregard of, or violation of, this Policy by any employee or other person who is subject to it, may constitute insubordination and be grounds for disciplinary action up to and including termination of employment.

### **COSTS FOR PROCESSING FOIA REQUESTS**

The Board, pursuant to Section 30-4-30 of FOIA, has established the fee schedule below, which may be approved and updated as part of the Authority's regular schedule of fees and charges. The charges set forth therein are no greater than, and in some instances may be less than, the actual cost to the Authority of searching for and making

copies of requested public records. In general, costs for staff time necessary to respond to a FOIA request shall not exceed the prorated hourly salary of the lowest cost employee of the Authority who, in the opinion of the Executive Director, has the training necessary to fulfill the request. Costs shall not be charged for time spent examining records to determine whether they may be disclosed. Charges for copies of records will not exceed the standard commercial rate. Additionally, copy charges do not apply to electronic copies; however, the Authority may charge a fee for cost of staff time to transfer the document to electronic format and the actual cost to the Authority for electronic media. Where it is anticipated that the staff time necessary to comply with a request may exceed twenty-five dollars (\$25.00), the requestor may be required to pay a deposit of one quarter of the estimated costs of complying with the request before staff will begin searching for or making copies of the requested records. Each requesting party shall pay the full amount due prior to delivery of records under FOIA or this Policy.

### **PROHIBITION ON COMMERCIAL SOLICITATION USE**

Knowingly obtaining or using personal information obtained from the Authority for commercial solicitation is strictly prohibited. The measure employed by the Authority to ensure that no record is used for commercial solicitation purposes shall be to deny requests for records under FOIA where the only reasonably perceptible use for the requested records by the requesting party is commercial solicitation. Upon denial of a request by the Authority, the requesting party is to be notified that it has the burden to demonstrate a purpose for which the requested records may be used that is not commercial solicitation. All responsive communications provided by the Authority shall include a Certification of FOIA Fulfillment (the "*Certification*"), a copy of which is attached hereto. The Certification will be signed by the Authority staff person charged with providing requested records and will include the following statement:

Pursuant to § 30-2-50 of the Code of Laws of South Carolina, 1976, as amended, you are prohibited from knowingly using public records obtained from the Oconee Joint Regional Sewer Authority for commercial solicitation. Violation of this law is punishable by law as a misdemeanor, resulting in up to a year in prison or a fine not to exceed \$500.

### **FEE SCHEDULE FOR STAFF TIME AND COPIES**
